PROFESSIONAL SUMMARY

React / Frontend Developer with hands-on production experience building scalable, responsive web applications using React.js, JavaScript (ES6+), and Tailwind CSS. Proven experience delivering enterprise dashboards, role-based systems, and API-driven UIs across healthcare and SaaS domains. Strong in converting UI designs into performant React components and collaborating in real-world development environments.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, React Hooks, Component Architecture, State Management

Backend: Node.js, Express.js, REST APIs, JWT Authentication, MongoDB, Supabase

Tools & Deployment: Git/GitHub, Postman, Thunder Client, Render, Netlify, Vercel

PROFESSIONAL EXPERIENCE

Frontend Developer Intern

Markytics

- Developed enterprise HRMS frontend for tracking employee attendance, leave balance, salary, and analytics using React.js
- Built 20+ reusable React components, reducing repetitive UI development across modules
- Implemented data visualization dashboards using Chart.js for client transaction and performance analytics
- Integrated WebSocket-based data into React UI to display live conversation updates
- Worked on frontend state handling for real-time message rendering

MERN Stack Developer Intern

Bytespath Pvt Ltd

- Developed MediH hospital management system with admin, doctor, patient, investor roles
- Implemented secure JWT authentication and role-based access control (RBAC) across 15+ APIs
- Built frontend workflows for appointments, patient records, and dashboards using React
- Optimized MongoDB queries with indexing, improving appointment data retrieval performance

PROJECTS

Full-Stack Expense Tracker

Live Demo

React.js, Node.js, Express.js, MongoDB, Tailwind CSS

- Built secure expense tracking application with JWT authentication and CRUD operations
- Developed analytics dashboard with category-based filtering and interactive charts
- Deployed using Render and MongoDB Atlas with environment-based configuration

Developer Portfolio

Live Site

React.js, Tailwind CSS

- Built a responsive developer portfolio using React and Tailwind CSS
- Implemented reusable components and clean UI structure for project showcasing

EDUCATION

Savitribai Phule Pune University

Master of Computer Applications (MCA)

75.65%

Dec 2021 – May 2023

North Maharashtra University, Jalgaon

Bachelor of Science in Computer Science
